INTERNATIONAL INDIAN RALLY 2016

The Indian Motorcycle Club – founded in Berlin 1986 – celebrates its 30th anniversary and invites you to the western heart of Germany at the boarder between the Sauerland and the Bergisches Land to the International Indian Rally 2016.

Enjoy a great location with enough space for all travelling Indians, their tents, trailers and rolling homes. We look forward to meet and host all Indian Enthusiasts with good food and enough beverages (hey, you'd take that for granted in Germany, wouldn't you? :)
